Dear Parents/Carers

Hope you are all well and had a restful break. We are pleased to be welcoming all of our pupils back to school today.

We celebrated another excellent set of GCSE results two weeks ago and I am really proud of all the pupils and the commitment from our staff at London Enterprise Academy

Good Attendance & Punctuality - Can parents ensure that your child attends school every day and on time. If they have medical appointments, they need to come to school and then we will allow them to sign out. They must return back to school after the appointment even if they can make it for one lesson.

If your child is feeling slightly ill, you should send them to school as we do have four qualified first aiders who can look after them and decide if they need to go home for medical attention.

Summer School – we had four weeks of summer school providing a wide range of activities, trips and visits for our children and children in the local area.

Uniform - Some parents may want to order new blazers for your child as they may be growing out of their blazers - Ocean Design, 10 Watney Street, London E1 2PR (020 7702 8881).

Year 10s have been provided with a new black blazer with purple trim from the school free of charge.

PE Kit - Pupils will need to come dressed in PE uniform during PE lesson days. They must wear school PE top, plain black tracksuit bottoms and plain black trainers.

Mobile phones are not allowed in school. We do not want to see the phones. If we see mobile phones they will be confiscated and given back to parents on **Friday after school between 3.15 and 4.30pm**. The school will take no responsibility for any phones that are lost or damaged.

Contacting School - If you need to contact the school about issues affecting your child, please contact the school office and arrange to meet their advisory tutor or a member of the Year Team.

Secondary School Places - If you know any parents who have not secured a Year 7 place, please direct them to visit us as this will enable them to make an informed choice. There are also few places available in the current Year 8 and 9. Please note that all available places will be allocated on a first come, first served basis.

Start times - **All pupils** start school at **8:40am** every day. We will continue to provide FREE Breakfast for pupils coming before 8.30am. 8.41am is late and pupils will get detentions if they are late.
